

Maison St Jean

This newly refurbished house has been styled with everyone in mind. The bedrooms both have Kingsize beds for your comfort. There is one family bathroom, with a large walk in shower, double sink vanity unit, wc and heated towel rail. There is another toilet with wc with vanity unit and sink for your convenience. The lounge/kitchen area is open plan. The kitchen is fully equipped, has an oven/hobb, large freestanding fridge/freezer, microwave and dishwasher. The lounge area has a flat screen smart TV with Apple TV, Wifi Internet and a wood burning stove fire (making this property perfect for a summer or winter break). The house also has a small enclosed laundry area with washing machine, iron etc. There is plenty of outside furniture to allow you to enjoy the garden, a dining table, separate round table, couches and drinks table to allow you to relax and have your morning croissants and coffee or a glass of wine and read. There is also a large gas BBQ and outside electric grill in order that you can enjoy dining al fresco.
